

LICENSE AGREEMENT
FOR NON-COMMERCIAL RESEARCH USE OF
ELP Dataset

In consideration of the mutual covenants contained herein, the parties, intending to be legally bound hereby, agree as follows:

1. LICENSOR developed certain valuable intellectual property, known as the ELP Dataset and desires to grant a license to LICENSEE. LICENSOR does not warrant to LICENSEE for the Dataset.

2. LICENSEE shall have no rights with respect to the Dataset or any portion thereof and shall not use the Dataset except as expressly set forth in this Agreement.

3. Subject to the terms and conditions of this Agreement, LICENSOR hereby grants to LICENSEE for non commercial research use only, for an initial period of 3 years starting at the effective date above mentioned renewable upon the discretion of LICENSOR, a royalty-free, non exclusive, non transferable, license subject to the following conditions:

3.1 The Dataset is only for the non-commercial research use of LICENSEE and, in a need-to-know basis, of those direct research colleagues who belong to the same research institution as LICENSEE and have adhered to the terms of this license.

3.2 The Dataset will not be copied nor distributed in any form other than for backup of LICENSEE, and its protection is subject to the terms of the Law for Personal Data Protection.

3.3 The Dataset will only be used for research purposes and will not be used nor included in commercial applications in any form (e.g., original files, encrypted files, files containing extracted features, etc).

3.4 Any work made public, whatever the form, based directly or indirectly on any part of the Dataset will include one of the following reference: 3.5. If the LICENSEE wants to use figures present in electronic or print media, he/she certifies to use only those from the following sections and include notice of copyright (© Amir Ismail)

3.6. Three years after the EFFECTIVE DATE, in case the license agreement is not renewed by both parties (LICENSOR and LICENSEE), the license will expire and LICENSEE shall permanently destroy all copies of the DATASET.

3.7. To cite reference in any paper of theirs or their collaborators that makes use of the dataset. The reference is:

Amir Ismail, Maroua Mehri, Anis Sahbani, and Najoua Essoukri Ben Amara, "ELP 1.0: a comprehensive, geographically diverse dataset of European license plates", IEEE Transactions on Intelligent Transportation Systems, 2025.

4. This Agreement shall be interpreted, construed and enforced in accordance with the laws (both substantive and procedural) of Tunisia, without regard for, or application of, the conflict of laws principles.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement in duplicate originals by their duly authorized officers or representative
